

OIL SPILL SCIENCE

SEA GRANT PROGRAMS OF THE GULF OF MEXICO

Workshop: Sea Turtles and Oil Spills

Thursday March 23rd, 2017

9 a.m. — 3 p.m. CST

Gladys Porter Zoo

500 E. Ringgold St., Brownsville, Texas

Join us for a day focused on the iconic sea turtle! We'll learn from leaders in oil spill science, emergency response, animal rescue, and natural resource management as they share their knowledge and experience about oil spills

This workshop is free and open to the public. Lunch will be served, but you must [REGISTER](#)

Visit our website to learn how to join and to stay updated:
