Responding to oil spills: Offshore and deep sea habitats

Tuesday, January 9, 2018

9:00a CT – 4:00p CT

Southeast Louisiana National Wildlife Refuges Complex

61389 Highway 434, Lacombe, LA 70445

To register: <https://www.surveymonkey.com/r/offshorerresponse>

Come join researchers and responders as they discuss how science guides oil spill response in these distinct marine habitats.

All events are free and open to the public.

Lunch will be provided for registered participants.
