SEA GRANT PROGRAMS OF THE GULF OF MEXICO

SHARING SCIENCE EFFECTIVELY: KNOW YOUR AUDIENCE AND SPEAK THEIR LANGUAGE

Monday, February 5, 2018

9:00 am - 12:00 pm(CST)

Hyatt Regency New Orleans

Celestin E

601 Loyola Ave

New Orleans, LA 70113

Many people could directly benefit from your scientific findings, but what are you doing to make sure they understand your message and why your results are important?

This workshop is designed for scientists to learn from a communications professional in a comfortable environment. Participants will receive tools and training on how to effectively communicate and present research results to a variety of audiences.

To register or learn more, visit:
