

OIL SPILL SCIENCE

SEA GRANT PROGRAMS OF THE GULF OF MEXICO

Oil spill response, assessment, & restoration: Marine Mammals

Thursday, March 29th, 2018
9 am- 3 pm CST

Flower Garden Banks National Marine Sanctuary Offices
4700 Avenue U, Galveston, TX 77551

Experts will be sharing research results and discussing management of marine mammals when oil spills happen. All are welcome to join this free seminar. Lunch will be provided, but if you can't attend in person, join us online via webinar.
