

OIL SPILL SCIENCE

SEA GRANT PROGRAMS OF THE GULF OF MEXICO

HOW DOES SCIENCE GUIDE OIL SPILL RESPONSE? COLLABORATING BEFORE, DURING, AND AFTER A SPILL

Wednesday, April 24, 2019

9:00 am – 3:30 pm (EST)

University of South Florida
College of Marine Science
Conference Room MSL 134
830 1st St. S
St. Petersburg, FL 33701

Come join researchers and responders as they discuss how science guides oil spill response. This workshop is designed to bring area scientists and emergency responders together to network, communicate, and form partnerships. Scientists will share research results and responders will explain response processes and priorities.

To register or learn more on how to participate online, visit
