

# SOUTH ATLANTIC RELEASE RODEO

May 1 - July 31

**HOOK GIVEAWAYS WHILE SUPPORTING YOUR FISHERY!**

## What is the Release Rodeo?

The Sea Grant South Atlantic Release Rodeo is a 3-month challenge where South Atlantic fishermen can win Sea Grant giveaways by sharing data on their released shallow water grouper and Red Snapper **through the citizen science project SAFMC Release.**

## Why Jump In?

- Share your observations to support your snapper grouper fishery
- Submit data through a free and easy-to-use mobile app
- Submissions are confidential
- Earn a chance to win giveaways!

## Getting Started

1. **Visit the Sea Grant Release Rodeo webpage** for rules, guidelines, and giveaway information (scan top QR code)
2. **Make an SAFMC Release account** on the SAFMC Release webpage (scan bottom QR code and click “Set Up An Account”)
3. **SAFMC staff will email account details**
4. Start recording your releases to earn your chance to win!

## Release Rodeo Webpage

Scan to check out the rules and guidelines to make the most of every submission!
